MiMedx Highlights Skills and Experience of Director Nominees

Company Urges Shareholders to Vote with the BLUE Card Online or By Phone Today

MARIETTA, Ga., June 13, 2019 -- MiMedx Group, Inc. (OTC PINK: MDXG) (“MiMedx” or the “Company”), an industry leader in advanced wound care and an emerging therapeutic biologics company, today highlighted the strength of its director nominees – each of whom would be NEW to the MiMedx Board of Directors – in connection with the upcoming 2018 annual meeting of the Company’s shareholders (the “Annual Meeting”).

Time is short. The Annual Meeting is scheduled for Monday, June 17, 2019. The Company urges MiMedx shareholders to vote ONLINE or BY PHONE using the BLUE card and to vote “FOR” the Company’s three director nominees.

The Company’s nominees – M. Kathleen Behrens Wilsey, Ph.D., K. Todd Newton and Timothy R. Wright – have expertise in healthcare, finance, operations and public company oversight. All three of these nominees have been chosen in cooperation with Prescience Point Capital Management, LLC, which, together with its affiliates, is MiMedx’s largest shareholder.

In contrast, the hand-picked nominees put forth by the Company’s former Chairman and CEO, Parker H. (“Pete”) Petit, include a former tax advisor for a home builder and a West Virginia lawyer (and Mr. Petit’s former personal attorney). These individuals are conflicted and lack industry experience, public company board experience and operating expertise. Furthermore, in our opinion, because of his past actions, Mr. Petit himself cannot be allowed to return to MiMedx in any capacity.

All leading independent proxy advisory firms – Institutional Shareholder Services (“ISS”), Glass Lewis & Co. (“Glass Lewis”) and Egan-Jones Proxy Services (“Egan-Jones”) – have recommended MiMedx shareholders vote “FOR” the Company’s three director nominees on the BLUE proxy card.

Institutional investors such as mutual, pension and retirement funds rely on the recommendations from proxy advisory firms ISS, Glass Lewis and Egan-Jones. These investors, who have investments in dozens, hundreds or even thousands of stocks, find it useful to hear the perspectives of neutral, independent experts like ISS, Glass Lewis and Egan-Jones as they consider how to vote their shares in a contested director election such as ours.

Meet MiMedx’s Highly Qualified Director Nominees Who are New, Experienced and Objective
